Dates: 1/22/21 - 1/22/21

Special Cleaning Instructions for

Please adjust the thermostats, the suitcase icon for when there are no arrivals, and the sun icon for guest arrival: there are 7 thermostats in the unit. When leaving the unit please make sure all the lights are turned off. The floors need to mopped and swept with each cleaning. The toilet may need a small brush to clean behind the lid when debris builds up. The oven needs to be cleaned after all guests. Stainless steel cleaner should be used on the fridge and oven. Please also clean the water drain in fridge door. The twin beds need to have 2 pillows on the top beds so guests don't use the decorative pillows. Also please make sure the beds all have mattress pads. ****Please make sure all the pillows in the closet have cases on them.**
****Please leave french doors open for hot tub room.**
