In Room Hot Tub with a view

Overlooking the Snake River and Keystone Resort, this is the best view of the resort that is available.

Living Room

You won't find a larger living room... With views straight to the slopes from the living room and the private hot tub room. An additional update is that the unit now contains a top of the line 47" Flat Screen TV, google equipped. The unit also has a computer available to guests which has Windows 7, and Microsoft office 2010.

Fireplace

This is a GREAT wood-burning fireplace made of authentic river stone that is a fitting centerpiece to this home.

Description: Our largest 2 bedroom is about 5 blocks from the Mountain House base area. Enjoy sweeping views of the slopes and Snake River from the PRIVATE in-room hot tub and private sauna!

This 2 bedroom is an amazing 1,750 sq ft. over 2x as large as most River Run 2br condos. In many of these condos, the master bedroom has been converted to 2 small bedrooms just to get another bedroom for rentals, but in this one, the master suite with mountain views and a king bed has been left for you to enjoy.

Dining Room and Kitchen

Using all available extra bedding, this condo sleeps 11 on 3 beds and 3 sleeper sofas.

After a day of skiing, relax beside the dramatic river-stone wood burning fireplace.

View from Deck

View to the left

From the deck and the master bedroom and hot tub, this is your view to the left of the snake river.

Deck

Relax and enjoy your morning coffee on these great Adirondack chairs on your private deck overlooking the river.

Living Room View

From the game table in the living room.

Master Bedroom

The master bedroom has a luxurious aspen king bed, and as of August 2011 it has a new

Mattress and Box Springs...Very Comfy!

2nd Bedroom

The 2nd bedroom has a hand-built aspen bed and a separate twin bed.

Deck Table

The deck is larger than most condos with room for a table for outdoor dining.
